SAO

Dear Student,

Within the scope of the Turkey Alumni Program carried out by our Presidency, Potential Alumni Studies are carried out to include international students in the last period of their education in Turkey in graduate studies in their countries.

The purpose of the Potential Graduate Study is; To ensure that our international students, who are in the last period of their education programs and who are likely to graduate in the same year, have the "Turkish Alumni" identity before returning to their countries, so that they tend to maintain their contacts with our country and other Turkish Alumni when they return to their countries, and to take part in studies and projects for Turkish Alumni. and to ensure that they take an active role in Turkish Alumni association activities in their countries, if any, or in the establishment of associations, if they do not exist.

In this context, the 2024 Potential Graduate Studies Program will be held in Trabzon and we would be pleased to see you among us in this program. Please fill out the form below to participate in the program.
