Karadeniz Technical University Faculty of Dentistry (KTÜ-DHF) invites colleagues and students from all over the world for research and scientific collaboration, observation, and education.

Observer Student:

- ❖ An individual who can observe the treatment stages performed by the teaching staff at KTÜ-DHF Clinics for a certain period of time.
- ❖ Granted access to KTÜ-DHF's facilities and resources. **Not allowed to provide patient care.**
- ❖ Will not receive any salary.

Observation:

- ❖ Observers are visitors who are currently enrolled in undergraduate or postgraduate dental education or have completed these programs.
- ❖ They can observe the practices, operations, and education at KTÜ-DHF in a way that will be beneficial to them.
- ❖ Observers can follow clinical practices, participate in research, and conduct research, data collection, and other activities, but cannot treat patients.
- ❖ The observation period cannot exceed 3 (three) months in any department. Observers are not registered for any official courses at KTÜ-DHF.
- ❖ The observer fee for 2024 is 1.000 (one thousand) TL per day per person. The observer fee will be updated in January and July of each year.

Additionally:

- ❖ It is the responsibility of non-Turkish citizens to have the appropriate visas for the visitor category.
- ❖ Observers who will participate in human or animal research are required to have valid certificates from KTÜ-DHF or their own certificates.
- ❖ All candidates must have a complete and approved health report (including English translations).
- ❖ The training period starts in February or September each year. Applications must be made 3 (three) weeks before the start of the programs.
- ❖ A certificate will be issued to the relevant person stating that they have received training/observation.

Application Checklist:

1. Application form and application fee receipt
2. Curriculum Vitae (CV)
3. Passport or ID card photocopy
4. Dental Degree or Student Certificate
5. Approved health board certificate
6. Document/policy stating that the observer has taken out insurance that covers the observation period against work accidents

Please note that this is just a translation and may not be complete or accurate. Please refer to the official KTÜ-DHF website for the most up-to-date information.
