TUBITAK 2209/B Applications

Engineering Design course students who want to apply for TUBITAK 2209/B should follow the path below to get the approval letter from the Head of Department.

1. Please submit your request to the head of the department with a petition similar to the sample given in the link below. You can deliver the petition by hand or send a scanned copy to the department secretariat e-mail address.

    Sample petition address: https://www.ktu.edu.tr/dosyalar/ofece_1rmd3.docx

2. When the request reaches the Head of Department, the department secretariat will prepare a letter on official headed paper and send it to the requestors via e-mail after the head of the department signs it.
