

### INTERDISCIPLINARY STUDY FORM

The Interdisciplinary Study form consists of two parts. The first one is the interdisciplinary work organized by the Department Head and in which participation is compulsory. The second is the project support work carried out by student groups or with people from different professions outside the department while the Graduation Project is being carried out. For example, having a carpenter build the table or safe for the project.

Interdisciplinary work	Description
Section Presidency organized workshops or lectures	Organized by the head of the department and participation different departments in workshops or courses where it is compulsory students with together you made activities summarize and comment on your experience.
With student societies made studies and/or Graduation project industrial processes for	Organized by the head of the department and participation mandatory is Workshop or Lessons except student society projects you have participated in and Graduation During the project, you will have the opportunity to work with those in industry Explain the studies.

---

As the explanations get longer, the rest of the form may move to a new page. This is not a problem.
