Q: Can you describe your Erasmus traineeship in terms of teaching and student life?

A: My company is a Turkish company that is why I didn't come across many obstacles. They helped me a lot. When it comes to student life, Germany has many Turkish people so if you don't know German you can communicate in Turkish as well. When we compare this country with the others people are so hardworking and punctual.

Q: What were the enriching aspects of your traineeship?

A: For me of course improving my German. After than that traveling a lot.

Q: Can you share any memorable cultural experiences or events that you participated in during your time in Europe?

A: I participated an event actually it was a Vikings festival and I liked it very much. There were a lot of people with unique, traditional clothes.

Q: Did you discover any new favorite dishes?

A: I discovered a favorite dish in Prague name is Gulasch which has different taste.

Q: How about the weather, atmosphere and people?

A: The weather is cold here and I didn't bring many jackets so I became so regretful. When it comes to people here there many kind of them. Some people are kind but others not.

Q: Did you have the opportunity to explore other cities or countries during your time in Europe? If yes, what were some highlights of your travels?

A: Yes i I am working in a travel agency that is why I was able to travel other countries like France and Switzerland.

Q: Have you tried learning local language? Can you say something in the local language?

A: I really tried and gave attention to it. Still I'm trying to learn it.

Q: What is your general impression about country?

A: I didn't impressed a lot being in Europe. I prefer to be in America :) but at least some places of Europe are nice. When it comes to Germany. Here is a little bit lonely and boring. Germany is a manufacturing country.

Q: Would you recommend other Turkish students to apply for studies in Europe or internship?

A: I definitely recommend it but here if you want to do that you should have a proper knowledge in English other than that local language
