*If any exam or diploma type other than the secondary education score in the exam name list is selected, the exam score system is automatically selected and prospective students cannot intervene in this area.

*Candidates who choose Secondary Education Score as the Exam Name but cannot find their own scoring system in the Exam Score System list will select 100 (one hundred) from the Exam Score System and convert their grade average into a 100 system and enter it into the system as the Exam Result.

After entering the
requested
information,
continue.

$$\text{Equivalent in the Hundred System} = \frac{\text{Secondary Education Grade Point Average}}{\text{Full Score in the Graduating System}} \times 100$$
