a) Candidates must pay their tuition fees for the 2024-2025 academic year fall semester in order to complete their provisional registration. (Except for students graduating from high schools in this title and those who will study Turkish Language Preparatory School)

b) 2024-2025 education fees are determined by the Board of Directors of our University, taking into account the Presidential Decree published in the Official Gazette in July every year and published at <https://www.ktu.edu.tr/oidb/uluslararasiogrenci>. (In case temporary registrations are made before the publication of the Presidential Decree, candidates pay the education fee for the previous year. However, after the 2024-2025 education fees are announced, the difference will be collected from the students.) [Click for tuition fees.](#)

c) *If more than one student from the same family continues their education at state higher education institutions, a 25% discount is made on tuition fees, provided that the student and his/her family have received a residence permit in Turkey.
